

MEET WIFS

We are the largest association of financial services professionals working together to attract, develop and advance women. We champion career opportunities, provide professional development and strive to change the face of the profession.

Join Our Community!

Companies that are part of SupportHER share a common commitment and goal to be public about their dedication to the attraction, development and advancement of women. Add your name to those working together to advance the objectives.

Companies who join SupportHER receive:

PROMOTION

Use the WIFS SupportHER logo in your electronic and print communication.

EXPOSURE

Visibility on the WIFS National website and recognition at National Conference.

RECOGNITION

Positioning as an ally for women in the profession.

Become a SupportHER Company Today!

Your SupportHER investment of \$15,000 will deliver year-round exposure to thousands of individuals including WIFS members, prospective members, conference attendees, and industry leaders. Contact us today to learn more about joining our elite group of SupportHER companies.
